

CSR4T PROJECT UPDATE: THIRD TRANSNATIONAL PROJECT MANAGEMENT MEETING

We are excited to share the latest developments from the CSR4T project! The Third Transnational Project Management Meeting took place in Zagreb, bringing together our dedicated project partners for a collaborative and impactful session. On June 15th and 16th, 2023, our esteemed partners met to discuss the project's progress and future activities.

Special thanks to our Croatian partners, IDOP, for their outstanding organization and commitment, to ensuring an engaging and productive meeting environment.

PARTNERSHIP

SETTING STRATEGIC PLANS FOR THE FUTURE

During the meeting, we explored upcoming milestones and set strategic plans to drive the project's success. The shared knowledge, expertise, and passion among the project partners are essential in our mission to positively impact CSR practices within the tourism industry.

LOOKING AHEAD

As we continue this transformative journey, we are grateful for the collaborative efforts and contributions of each partner involved. Together, we are paving the way for sustainable and responsible tourism practices.
