

## ONLINE PROJECT MANAGEMENT MEETINGS

Inspiring online meetings with partners to discuss progress and plan the next steps for responsible tourism.

### Key Meeting Highlights

- Detailed coverage of tasks and future plans.
- Strong partner commitment and collaboration.

## LIVING LABS INITIATIVE

All partners organized Living Labs, aiming to find innovative approaches and actions to implement CSR principles in response to social, environmental, and corporate challenges.

The methodology applied involved the Design Thinking method.

As a result, all partners summarized the solutions. The Common Report with these solutions is available on the project website in the results section in all partners' languages.

## PARTNERSHIP

## NEW RELEASE: CSR4T MANUAL FOR TRAINERS

# How to promote corporate social responsibility

### Manual for trainers

You can access the manual on the project website, and you will find insightful case studies, including a feature on "The Fjords" in Norway.

**Spotlight on "The Fjords"** Established in 2015, The Fjords is a pioneering shipping company that combines the maritime industry with tourism to create sustainable tourist destinations. They aim to develop tourism in Norway's breathtaking fjords while promoting environmental stewardship and preserving cultural heritage.

Discover more case studies and enhance your CSR skills in the tourism sector with the CSR4T Manual for trainers. This comprehensive guide is designed to support experts in positively impacting tourism through CSR principles.
